Presenting a rare opportunity to own a one-of-a-kind, custom-built Mansard-style estate—on the market for the very first time since its construction in 1967. This remarkable 7-bedroom, 5.5-bathroom residence is situated on the most coveted lot of the exclusive “Island” within Lakewood Country Club Estates. Set on a sprawling 31,600 sq ft lot, the home offers over 6,700 sq ft of living space with breathtaking 180-degree views of the 13th and 14th holes of the Lakewood Country Club golf course—visible from nearly every room.

A true time capsule of 1960s design, the home retains its original charm, featuring a grand terrazzo entry, soaring ceilings in the formal living and family rooms, a full entertainer’s bar, a “conversation pit”, and a striking double-sided brick fireplace. The spacious layout also includes a formal dining room, a large kitchen with ample cupboard space, and a secondary eat-in dining area. The main level hosts 6 generously sized bedrooms, a game/pool room, 4.5 bathrooms, and closet space galore!
